

EXECUTIVE ROUNDTABLE LUNCHEON

On Tuesday, January 24 BRG's Houston office hosted an Executive Roundtable Luncheon featuring Houston Community College System Chancellor Dr. Cesar Maldonado. Senior executives and business leaders representing energy, financial services, healthcare, higher education, insurance, legal, pharmaceuticals, private equity, public affairs, sports, telecommunications and utilities sectors attended the session.

Topics discussed during the interactive session included local and national higher education trends, institutional transformation, student success and workforce development. Discussion also focused on HCC's goals and mission for the next four years.

The roundtable allowed participants an opportunity to engage in an interactive dialogue with the Chancellor and network with their peers.
